

May is Bike Month 2010!

Registration is **now** available. If you were registered last year, you'll receive an email to confirm or update your information and register again. Visit www.Mayisbikemonth.com

On **Saturday, May 1st**, you can start logging the miles you bicycle.

In celebration of this event and in recognition of all the great effort, *e-tran* staff will present gift bags to **five** participants with the highest number of logged miles. Award plaques will also be presented at a future City Council meeting.

At the end of May, send us a print-out or e-mail your total miles logged, to:

8401 Laguna Palms Way
Elk Grove, CA 95758

Raquel Chavarria (rchavarria@elkgrovecity.org)

(All entries due by June 15, 2010)

In an effort to get people to park their cars and encourage other modes of transportation, throughout the Month of May, *e-tran* operators will conduct **random giveaways** on-board our buses to those passengers utilizing their bikes in conjunction with our *e-tran* routes. *(All of our e-tran buses are equipped with bike racks that can accommodate up to two bikes at a time.)*
